Subject: Old Cambridge Receivables

Camille, I need your help. I've been spending a lot of time lately trying to clear up old receivables. Below I've listed two change orders that have not been put through the system.

Please let me know at your earliest convenience what I can do to help these old issues get put through for payment. I have enclosed (in the yellow folder) requisitions for each of these to be signed off for payment. If you have any additional questions or if I can help in any way please give me a call.

POS#66980 Cambridge New Low Mobile Sticker
